Dear Dr. Roberts,

We are pleased to inform you that your proposal "Using Generalized Adversarial Networks to ensure trusted science results and maximize science reach within the dark matter community" has been selected to go forward with a full submission to the Department of Energy Artificial Intelligence for High Energy Physics Initiative opportunity. Here is a link to the opportunity page. Be sure you allow sufficient time to route your proposal through Grants and Contracts prior to submission**. Please include a copy of this email and the nomination form when you submit your routing to Grants and Contracts so they have record that you were one of our nominees.**

Please let me know if you have any questions.

Congratulations and good luck!

Regards,
Lori Sussel
On behalf of the OVCR
